Furniture That "Glidders"

"All that glidders is not gold," says Mr. Dinkelspiel, "but if it does glider, you can bet it ain't mud."

You can apply Mr. Dinkelspiel's logic to furniture. You can't always be sure that a beautiful table or chair with good lines or careful finish is everything it pretends to be.

But you can be sure that it won't jar your nerves every time you come into the room.

And the man who can be trusted to put good lines into furniture can generally be trusted as to materials.

Every article in this entire store is guaranteed as to materials—and the designs can be trusted.

Avoid "Fly Time" Linoleum

"Women demand cheap linoleum," said a manufacturer, "so we make it."

"The boys call it 'fly-time' linoleum because most women put it down about the time the flies appear—and it's worn out before they go."

"The only material that will make real linoleum that lasts, is cork and oil. The process cannot be cheapened. When people insist on cheaper grades they cheat themselves."

Good linoleum will last years.

And it costs only a little more than the 'fly-time' variety.

Now is the time to put down good linoleum. It protects the floors and makes them sanitary.

For bath, kitchen, porch, and (imitation wood) for libraries, offices, dining-rooms and living rooms.

Printed Linoleums . . . 50c and 60c per yard
Inlaid Linoleums, \$1.00, \$1.25 and \$1.50 per yard

Just Back from New York!

On our trip to New York this week we were able to pick up some extra good values in ladies' and misses' Suits and Coats. Here is a chance for you to get some extra good trades in Coats that are new and a little different. Many of these Coats are cloths we cannot duplicate, and it is not a bad idea either, especially if you can find your size. The way we know we have got the right goods at the right prices is by keeping in close touch with the market.

Ladies' Long Coats

The Long Coat is just as popular as ever if not more so, and we can show you one of the best, and an extraordinarily large line of these Coats.

At \$10.00 we have got some extra values in mixtures. These are coats we picked up in New York this week and are coats that we made up to sell for more money.

At \$12.50 is a line of Long Coats in a variety of different cloths. Some of these Coats are old Coats we had in stock and others we picked up under price. There are some extra values in mixtures that sold at \$16.50. Now \$12.50. No duplicates.

At \$15.00 we can show you the largest and best line of Coats at the price, we have ever had. These are Coats that we picked up this week from different manufacturers; are Coats that we made to sell at \$18.00 and \$20.00. We cannot duplicate them, but we have a good line of sizes. Only \$15.00.

Misses' and Ladies' Long Coats

At \$15.00 are some extra good values in Ladies' Long Blue Serge Coats. Are Coats that are made of a very fine, nice weight serge; are made in the best styles with the large collars. Are a regular \$18.00 value. These are Coats we cannot duplicate at the price. The sizes are from 32 to 38 bust, or from 14 to 20 years.

At \$18.00 are a few nobby Coats in a different cloth; are coats we only have one or two of a kind, but if you find what you want we can duplicate, and get your size in about ten days.

We have just received in this lot of Coat values, some good values in the Junior Coats. There are Coats that come in sizes 13, 15 and 17 years; are in styles similar to the Ladies'; only are shorter, and especially designed for Misses from 12 to 18 years old.

Ladies' Tailored Suits

The tailored Suit is the popular dressy garment of the season. While you may need the long Coat to wear with separate skirts, and light dresses, you will want the Suit for a more dressy garment.

The Suit Coat is a twenty-six inch partial filled Coat with a medium skirt, makes the garment which is very popular.

At \$12.50 we have got a good line of Suits in colors and black. These are a Suit made of a good weight, all worsted goods and are a Suit we can stand right back of at the price.

In the better Suits we can give you most anything you may want from \$15.00 to \$30.00. We have a number of sample Suits in the season's best style, that we picked up under price. These we cannot duplicate but can give you an extra trade in them.

H. J. Smith applied for a permit to build an addition to his storage shed at 367 North Main street, and A. H. Buzzell asked for a permit to build an addition on the rear of his bowling alley. These were referred to the fire committee to investigate and report.

City Engineer Reed reported that he had received two bids for the construction of a sidewalk on the Granite bridge. One from the United Construction company for \$1,207 and the other from the Canton Bridge company for \$1,375. The council thought that was a good deal of money to put into the walk and on motion of Alderman Wiley it was voted that the committee of the whole should visit the bridge with the engineer and see if it is possible to erect some kind of a sidewalk bridge at less expense. On motion of Alderman Wiley the council then went into executive session.
